## ARIZONA DEMOCRATIC PROGRESSIVE CAUCUS

The Arizona Democratic Progressive Caucus (AzDPC) is an emerging "caucus" within the Arizona Democratic Party State Committee. As our logo above indicates, the mission of AzDPC is to provide the progressive voice of grassroots activism within the Arizona Democratic Party. Membership in AzDPC is open to State Committee members, Precinct Committee people, and registered Democrats in general.

We invite you to join us in our work to champion traditional mainstream Democratic ideals such as: ending our imperialist occupation of Iraq and calling for meaningful dialogue with Iran, adopting a system of health care for all, assuring election integrity and fair and ethical campaign practices, assuring economic justice including the adoption of a livable wage and workers rights, adopting measures to assure environmental sustainability including addressing global warming and development of alternative energy sources.

The Arizona Democratic Party State Committee meets quarterly from 1-4 pm. AzDPC Caucus meetings are held the morning of each State Committee meeting from 10 am-noon at the same venue as the State Committee meeting. The meeting is open to everyone! Please join us and help amplify our collective progressive voice!

---
